Upcoming Events:

- **Rakhi making Competition on 16.09.2024 - Details shared in Google classroom.**
- **Har Ghar Tiranga - Circular shared in Google Classroom.**
- **Rangotsav Celebration activity-** As the students enrolled themselves for various categories under Rangotsav , it is difficult for the child to participate in all the categories on the same day so the above activity shall be conducted on 21st & 22nd August,2024 for the convenience of the students . Details of activities on the above dates shall be informed to the participating students.
- **Hindi Olympiad for Grade I to X - is scheduled on 17th October,2024- Detail circular is attached for reference.**

➤ **Grade: IX to XII - The Indian Navy Quiz**

The Indian Navy is conducting an annual quiz titled ‘**The Indian Navy Quiz 2024**’ (THINQ-24) at national level with the theme ‘Viksit Bharat’ for school children studying in classes IX to XII. The aim of the quiz is to inspire young school children to be nation builders by inculcating in them a strong sense of patriotism, dedication, discipline and also a sense of pride in our rich heritage, culture and values.

After three online elimination rounds and one zonal selection round in online mode, 16 schools will qualify for semi-finals and thereafter eight teams would qualify for the finals. The semi-finals would be held at Kochi, Kerala between 06th to 09th November 2024. The finalists will gain insights into the Naval way of life by visits onboard ships based at Kochi and exposure to the Naval training facilities at Kerala.

Besides the rich and unique experience, the students could win attractive prizes at various levels of the quiz. All details are available on the website <https://www.indiannavythingq.in/>

All participants would be given an e-certificate of participation. Travel, boarding and lodging expenses for the semi-finalists and finalists would be arranged by the Indian Navy. The two best quizzers went on to form the ‘Indian Team’ for the International round at India Gate, New Delhi.

Note: No fee amount will be charged for the quiz. Interested students registered their names to the respective class teachers before 20th August, 2024.

➤ **Grade: VI to XII - National Space Day**

We are excited to inform you that the Government of India has officially declared August 23rd as **National Space Day** to commemorate the outstanding success of the Chandrayaan-3 mission. This historic achievement marked the safe and soft landing of the Vikram lander at the ‘Shiv Shakti’ point and the deployment of the Pragyaa Rover on the lunar surface on August 23, 2023.

In celebration of this remarkable milestone, we encourage all students to participate in various engaging activities organized for National Space Day. You can find these activities on the **Bharat on the Moon** portal, which was launched last year and can be accessed at <https://bharatonthemoon.ncert.gov.in/>.

Action Required:

1. **Register** on the Bharat on the Moon portal if you haven't already.
2. **Explore** and participate in the various activities available on the portal.
3. **Submit** your participation entries as per the guidelines provided on the portal.

This is a wonderful opportunity to explore the fascinating field of space science and contribute to our nation’s space journey. We look forward to your enthusiastic participation and hope you make the most of this special day.

For any queries or assistance regarding registration and activities, please contact _____

Let’s celebrate National Space Day with great enthusiasm and pride!

Please note: Vacations planned for students:

| Dates | Grade | Details | |
